

# NEW NATIONAL WAGE & SALARY SURVEY

Are you looking for a compensation resource to benchmark your jobs against national data? Maybe your organization has operations in several regions across the country, or do you recruit talent nationally and you need to set competitive compensation plans?

Our annual **National Wage and Salary Survey** provides wage and salary data submitted by 25 members of the Employer Associations of America, including MAEA. Participating associations from across the country contributed salary data for **151 positions**. You'll find:

Managerial, supervisory and professional positions

Non-exempt hourly and technical positions

Industrial and production positions

**Pricing Information:**

Member companies who participated in MAEA's Regional Wage & Salary Survey: \$200

Member companies who did not participate in MAEA's Regional Wage & Salary Survey: \$400

Non member price: \$800

**Ordering Information:**

The report will be available in January. If your company is interested in purchasing this report, please contact Gina Whalen at 570-450-6893 or [gwhalen@maea.biz](mailto:gwhalen@maea.biz).
