& Employers**
ASSOCIATION

On-Site Training Available

MAEA offers on-site training where our instructors and staff will come to your location!!

Benefits Include:

■ *We offer all of our current training programs as on-site trainings including **Human Resource, Safety, Supervisory, Leadership, Hands-On Computers Training, Manufacturing & Quality, and Personal & Organizational Development!***

■ *Some recent on-site trainings include:*

Train the Trainer, Communications Skills for Teamwork, and Safety Responsibilities for Supervisors.

■ *Any of our existing training can be customized to your company's specific needs.*

■ *We offer flexible scheduling such as half day or full day trainings.*

To discuss your needs, please contact Chris Robbins or Gina Whalen.
