

MAEA Presents the SHRM Learning System Course

Prepare Now for the May 1, 2009-June 30, 2009 Test Period

The SPHR and PHR Certification "preparatory" course is intended to provide the knowledge and the in-depth training necessary in a broad range of functional HR areas to prepare participants for the Human Resource Certification Institute (HRCI) certification exam. Each participant will receive the 2009 SHRM Learning System. The SHRM Learning System can give you a distinct advantage as you prepare for the HR Certification Institute's exam—it is the only program that consistently exceeds the national pass rate year after year!.

Course Instructor: Elizabeth Confer, SPHR. Liz is currently the Human Resource Manager at Altadis USA and Specialty Products in McAdoo, PA. She earned her B.S. in Business from Bloomsburg University and her MBA from DeSales University. In addition to having over 22 years of experience in the human resource field, she has instructed the SHRM Learning Systems Course previously for Muhlenberg College.
